

The background features a vibrant, stylized illustration of tropical foliage. The leaves are rendered in various shades of green, teal, and blue, with some yellow-green leaves in the upper right corner. The foliage is layered, creating a sense of depth. In the center, there is a dark blue rounded square with a white border. Inside this square, the words "MENU" and "THE BAY" are written in white, uppercase, sans-serif font. A white wavy line is positioned below "THE BAY".

Suppliers and Food Sources

Here at Hoburne, we are passionate about our food, where it has come from and how it has been looked after. Not to mention how it gets to us. We try to use suppliers that are local to our parks to support local businesses and help reduce our carbon footprint. Our primary supplier allows our butcher, cheese supplier and ice cream producer to 'piggyback' onto their trucks, which means we can reduce carbon emissions and relieve traffic a little bit. They are committed to sustainability, working towards becoming completely zerocarbon, with zero waste sent to landfill.

FISH & SHELLFISH

The majority of the fresh fish and seafood we use comes from the southern shores of England and sourced from Brixham, which is only a short distance from Hoburne Devon Bay on the English Riviera. We ensure all our fish and seafood products are sustainably sourced and wherever possible, accredited by the Marine Stewardship Council (MSC).

BUTCHERY

We use a butcher that is local to the New Forest and all our fresh meat is sourced within the UK and has welfare assurances such as Red Tractor wherever possible. Our bacon is cured in Dorset, just a stone's throw away from Hoburne Park.

ICE CREAM

We use the New Forest Ice Cream Company, which is based just down the road from our Hampshire parks (Naish and Bashley).

CHEESE

Our speciality cheeses all come from producers located in the Southern Counties. Such as Lyburn Farm, Croxton Manor, Cricket St Thomas, Isle of Wight Cheese Co, Tunworth & Rosary Goat Cheese Co to name a few.

EGGS

All our eggs are free-range (except when restricted) and of British origin with the Red Lion Stamp. Fruit, Vegetables & Salads We use a Hampshire-based supplier for our fresh produce. When in season, most of our fresh produce comes from local farms within the south and south west of England. The majority come from farms within 25 miles of Hoburne Bashley in the New Forest.

LOCAL PRODUCTS

Where possible, we try to support local businesses by using their products within our menus. Examples of this are Hogs Bottom Chutneys (Devon), Cold Pressed Oil Company (Hampshire), Dorset Tea, The Garlic Farm (IOW), New Forest Spring Water (Hampshire) and many more to mention.

COFFEE

At Hoburne, we use Full Circle Coffee Co. They roast their beans in small batches from their HQ near Blandford in Dorset. The beans are ethically and sustainably sourced from suppliers around the world.

BAKERY

Many of the bread / bakery products we use come from a bakery that sources key ingredients such as flour and oil from British farms. Everything they produce is Red Tractor Assured.
